Dear Parent,

The following words all contain the 'k' sound made in different ways. Each group of words has a 'k' sound in them using the letters 'c', 'k' or 'ck'. They also contain the vowel sounds (a, e, i, o, u).

Please help by practising these words with your child. Thank you for your help.

- Point out how the 'k' sound is made in each group of words.
- Try to think of other words that rhyme or follow the same rule (can, pan, tan etc).
- Discuss the meaning of the words and try to think of a sentence containing the word.
